PARISH COUNCILLOR VACANCY

There being no request from 10 electors for a poll to fill a recently advertised Parish Councillor vacancy, the Council must now proceed to fill by co-option. You will have a genuine desire to serve for the benefit of the community of Bar Hill and be responsible for a specific area of the village, in particular the green spaces, trees, street furniture etc. You will be the eyes and ears out in the community to feed into managing the Council's resources; improving the quality of life for our residents. You will undertake your duties under the terms of the Code of Conduct for Councillors, reflecting the Nolan Principles of public life, and be able to give just a few hours a week for this rewarding work. Training is available and the Parish Council is an independent local authority with powers, duties and responsibilities defined by statute; it is quite independent of the County and District Councils, and the Residents' Association, and is managed by its Members who are elected every four years. There are 11 Council meetings a year plus Committee and ad-hoc meetings dependent on projects being undertaken. So long as you have lived or worked in the Parish, or within 3 miles of it, for at least a year and are over 18, you are probably eligible to serve as a Parish Councillor (please contact the Parish Council Office for details on the eligibility criteria and an information pack). Letters of expression of interest must be submitted to the Parish Clerk by 31 March 2019 and the co-option will take place at the April meeting of the Parish Council.

Could you provide a voice for residents?
Are you interested in local current affairs?
Do you wish to serve your community?

Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list.

Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

Dear Parishes

Bus services across the county were to be discussed at the Economy and Environment Committee meeting on 7th February. Whilst the Cambridgeshire & Peterborough Combined Authority's bus review continues and options are worked on, it's important existing bus services are protected. From April, it is proposed all Cambridgeshire County Council funded bus services will continue after the County Council and the Combined Authority agree funding for the next year. The Combined Authority has asked Cambridgeshire County Council to continue providing bus service policy and delivery on its behalf for one more year while opportunities for radical reform of the network are explored.

You can read more here: www.cambridgeshire.gov.uk/news/bus-services-set-to-continue-across-the-county.

Kind Regards

Dear Editor

I am writing on behalf of the Patient Participation Group to inform you of a new service at Maple Surgery. Extra appointments to see a GP or nurse are now available to all patients in Cambridge, Ely and surrounding villages. These appointments are available weekdays after the Surgery has closed and on Saturdays.

You can book an appointment through the GP receptionist at the surgery where you are registered who will give you the time, date and venue for your appointment. These are for non-urgent, routine appointments only. If you feel you need to be seen urgently on that day, please ask your own surgery to arrange to see you. The three GP hubs currently available are Nuffield Road Medical Centre, Comberton Surgery and St Mary's Surgery.

You will be given a choice on when you would like to book your appointment and information on where to go. Further information can be found at http://cgpn.co.uk/openlater/ or by calling 0330 0130 030.

Regards

Anthony Mitchell, Secretary – Maple Surgery PPG

— BAR HILL CRICKET CLUB —

Preparations are now under way for the 2019 season, when once again we will be fielding adult teams in the weekend and midweek leagues, as well as an under-13 team.

The Saturday adult side will play in the Cambs Cricket League Junior Division 4W and will start on Saturday 4th May at home to Great Shelford III. Also in the league are Barrington II, Cambourne III, Cambridge NCI IV, Camden II, Cherry Hinton II, Coton II, Elsworth, Fen Ditton II, Girton II, Hardwich & Caldecote II, Linton Village II, Saffron Walden IV and Steeple Morden.

The Under-13s will play in the Cambs Youth Cricket Association pairs competition – the same format as they played last year – and are in the same league as Fen Ditton, Fulbourn, Over and Wenden.

Our Cambs Business Houses Midweek League opponents are not yet known.

Youth training nights are due to start in April on an exact date to be confirmed – we will contact the parents of all previous players shortly to confirm and you can also find information on our Facebook page or club website.

Our fees for youth players are £25 for the entire season – no added weekly subs – and all players will receive whites. The club provides all playing equipment.

We are also pleased to announce that the club is sponsored by Tesco Mobile and all adult playing members will receive a free branded shirt when they sign up. Membership fees are just £10, with match fees also applying.

At our Annual Meeting, Chairman Ash Curry, Treasurer Dave Underhay and Secretary Paul Stimpson were all re-elected, while Jake Curry joins the committee as Events Co-ordinator.

The first event of the season is a Race Night at the Social Club on 30th March, which will also raise funds for the hospitals supported by the charity set up by our youth player Harry Searle.

For all the latest from the club, keep an eye on our website at www.barhillcricket.org.uk.

LONGSTANTON BOWLS CLUB

Spring is here and Longstanton Bowls Club is recruiting new members. It doesn't matter if you haven't played before, we have members willing to provide help and guidance. Everyone is welcome and our membership ranges from juniors to retirees and novices to experienced players.

Don't worry about equipment, as the club can assist with this – just wear flat shoes. We pride ourselves in being a friendly club where the enjoyment comes from taking part. Our bowls green is located on the recreation ground, between the Longstanton Pavilion and the tennis courts, Over Road, Longstanton.

Monday evenings are club roll-up nights, reserved for informal practice in a mildly competitive environment, ideal for beginners. We also have a fun league on Thursday afternoons where you even get points just for turning up!

The club plays in a number of inter-club leagues, some of which are more competitive than others. Away matches give members an opportunity to experience other club's greens and facilities in the Cambridge area. Most of our league matches are on the light summer evenings, starting at 6.30pm. There is also an afternoon league with matches starting at 2pm with a break for tea and biscuits – all very sociable!

The outdoor season runs from late April to September. If you're tempted, please come along to our **Open Day** on Saturday, **13th April** from **2pm**, or on Monday evenings in season (from 6pm) to meet some of the members and possibly try your hand. If you just want to watch, then that's fine too.

For more information contact Marion Edwards:
T: **01954 780118** or E: marionedwards1@btinternet.com. Our web site: www.longstanton-bowls-club.co.uk.

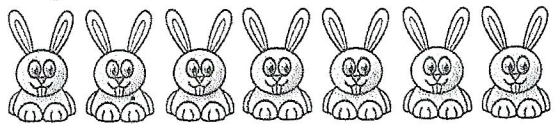
— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips, outdoor experiences and taking part in local groups/community events without being confined to one place.

We offer flexibility in working hours to suit you and your child's needs rather than set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured activities will encourage them to grow and learn at their own pace, focusing on each child's individual needs.



Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificates.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions, (open to any children 0-5yrs with a parent/carer), on Tuesday and Thursday mornings from 9.45–11.15am in the Octagon, term time only – (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). Here we offer a wide range of sensory experiences, activities, stories, singing and more..

Some of our Childminders are now registered to offer **Government Funded places for children aged 3 & 4 years old, 15-30 hours per week – 'Universal' and 'Extended'**, (+ qualifying 2 year olds). The Funded hours each week can be shared between a Childminder and your child's Pre-school and/or Nursery. Below is a list of our Childminders – those who offer Government Funding have a letter 'F' before their name:

— MARCH BULLETIN —
CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

As the weather drops further and the snow and ice kicks in, we begin using our fires, burners and chimneys more often to heat up our homes. But, have you had your chimney swept in the last year?

Follow our 'top tips' to ensure your home is kept safely warm and cosy all year round:

Wood/Multi-Fuel Burners

- A qualified and competent engineer should install all wood/multi-fuel burners and boilers. Regular maintenance should be undertaken. Specialist servicing and maintenance will usually be provided by the company you purchase the appliance from but you can also refer to www.solidfuel.co.uk for advice and information.
- Ensure correct ventilation is in place when the appliance is in use.
- Wood burning appliances should only use the right quality wood recommended by the supplier.
- Regularly inspect the chimney and flues.
- Generally wood should be well-seasoned (usually wood kept dry and stored for around 2 years).
- Avoid wet or newly felled wood as this will cause tars/creosote deposits forming in the burning appliance and chimney.
- Using laminated chip boards will leave binding glue deposits.
- For each slow burning period there should follow a quick burn to dry out unwanted tar/creosote deposits and to warm up the chimney again.
- At the end of each burning season and at least once during the season the entire system should be cooled and thoroughly cleaned to maintain top performance.

Most importantly

- Fit a smoke alarm that carries the kite mark or British Standard Number 5446 and test your alarm weekly by pressing the test button and know the life of your battery.
- Always also install a CO alarm in the room where the burner is installed. Chimney Fires continue to be a common occurrence in home fires in the winter months.

We experience an average of 81 chimney fires a year in Cambridgeshire alone. Whatever fire you have, or fuel you burn, it is vitally important you have your chimney swept to avoid a build-up of ash and soot.

For more information or to get in touch contact us at firefire@cambsfire.gov.uk or on 0800 917 9994.

MONDAY NIGHT FOOTBALL CLUB LOOKING FOR NEW MEMBERS

I run a 5-a-side session every Monday evening on the 3G pitch by the school and we are looking for a few new members.

We are (generally) all in our 20s and 30s and of mixed footballing ability – ranging from ex-professional footballer to rank amateurs! Most of us used to play Sunday League together a few seasons ago (for Over – Sorry!!??).

The game itself isn't too serious, but there is always a competitive edge of course!

As well as the fitness element, we also do a couple of socials a year, in summer and at Christmas.

Please let me know if you are like-minded and fancy joining our Monday Night Football match.

Session is from 2000–2100 every Monday and it costs £3 per person per week.

Let me know if you have any questions!

— VILLAGE HALL —

01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines e.g. children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on 01954 782892 to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

The County Council met to approve its budget and set council tax for 2019/20 in the context of its 5 year business plan. The overall objective is to continue to protect and invest in vital services whilst using service transformation, efficiency, investment and commercialisation to offset cuts in funding. Transformation of the way the Council works is a key factor in delivering best value for money and to support this the budget includes an increase of £4.764m in the transformation fund. The Council will also carry forward the £9.1m remaining balance of the smoothing fund that was created last year which will continue to act as a contingency, as it did recently when £3.4m was used to safeguard children's services in the face of rising demand. The Council's commercial projects to date are due to return a profit of £11.2m in 2019/.

Concern has been raised with me about possible changes to local bus services. I believe the concern has arisen due to misinterpretation of information relating to the way bus services are funded. The current situation is that responsibility for bus services now lies with the Cambridgeshire & Peterborough Combined Authority [CPCA] which levies the County Council [CCC] for the cost of bus contracts. Until the CPCA completes its review of bus services, it is effectively returning the levy for 2019/20 and CCC will continue to maintain the requisite contracts for that time. I have confirmed that the tender specification will be for exactly the services that are currently provided. However, I have asked to be kept updated on progress towards awarding the contracts to ascertain that the successful provider's bid exactly mirrors that specification.

— DISTRICT COUNCILLOR NOTES —

Additional loan funding for the Cambridge ice rink

The Council has approved additional loan funding of up to £550,000 to enable the completion of a permanent ice rink in South Cambridgeshire. The District Council had already agreed in September 2016 to provide a £1.85 million loan to Cambridge Leisure and Ice Centre (CLIC) for the new venue, which is being built off Newmarket Road on the edge of Cambridge. The 56 metre by 26 metre ice pad will meet the requirements of the International Ice Hockey Federation, allowing visiting teams from around the world to play ice hockey. Building work began in November 2017.

Target to cut local carbon emissions to zero by 2050

The District Council has unanimously backed a motion proposing that "South Cambs shows responsible climate leadership by supporting the transition to zero carbon by 2050 in the next Local Plan." As a result, South Cambridgeshire's next Local Plan will consider how new homes, jobs and services will support that commitment. This will be a joint local plan with Cambridge City Council, which has adopted a similar aim. The next plan will look at ways South Cambridgeshire District Council can press for a carbon-free area through the design of homes and other buildings, land use including open space, transport links, energy supplies and waste and recycling services.

Publication of tool kit to tackle loneliness

I was really pleased to see the Council launch its toolkit to help Parish Councils and resident groups tackle loneliness. I understand how important it is to share information amongst all the Parish Councils in SCDC to give our villages a starting point as to how to tackle loneliness and social isolation. With statistics from Age UK stating that half a million older people go at least 5 days a week without seeing or speaking to anyone tackling this problem should be at the forefront of our minds.

The toolkit provides a wide range of projects that are taking place across SCDC with a description and overview of the project, advice on how they got started, how they were funded and who helped with advice and guidance. Clearly not every case study will fit every village and I know many of the parishes are doing an awful lot in terms of bringing communities together. This is done through a huge number of different groups such as gardening societies, car shares, repair cafes, wellbeing groups, exercise clubs and art projects all of which bring people together. It is worth having a look at the toolkit on the SCDC website to give you ideas where other things may be considered.

VOLUNTEERS NEEDED TO HELP WITH ARTHUR RANK HOSPICE STATIC TIN VENUES

Arthur Rank Hospice Charity's 257 collection tins provide an important income stream for the Hospice, which needs to secure £8.1 million a year to provide its services free of charge to people living with a life-limiting illness in Cambridgeshire.

Between January and December in 2018, £14,761.45 was raised, an increase of over £2,500 from the previous year! During 2019 the Hospice wishes to expand the locations of their sunny yellow collection tins. They are hoping to find new homes for them in venues such as pubs, village shops, libraries, cafes and bakeries, particularly within the following postcodes: CB3, CB4, CB6, CB7, CB8, CB23, CB24 and CB25. Before finding new venues for tins, their primary mission is to appoint volunteers to approach potential host venues, maintain relationships with them and collect and service the tins. If you know someone who might enjoy this type of volunteer work within your local community, please pass on details of this opportunity to them.

To register your interest, please contact Alison Pinney, Fundraising Officer at Arthur Rank Hospice Charity on 01223 675888.

I can tutor any age up to GCSE Level, whether that be exam preparation, preparation for a new school/new year, or just general Maths tuition.
I am on the DBS Update Service, so no need for new checks.
